PROWLER[®] PRO

ADVENTURE AT YOUR FINGERTIPS.

Known for its 50-horsepower engine, unmatched, durable capabilities, ample storage and comfort, the Prowler Pro brings a challenge to its competition, and the proven features don't stop there. Available in three models, the Prowler Pro comes with a redesigned suspension resulting in 12.5 inches of ground clearance. Also equipped with a performance tuned CVTech clutch for smooth power deliver and faster acceleration, the Prowler Pro continues its legacy in the Arctic Cat pack with all the grit needed to raise hell.

*Please contact your local dealer for accessory availability. Accessories shown are subject to change. WARNING: Arctic Cat vehicles can be hazardous to operate. For your safety, all riders should always wear a seat belt (Side-by-Sides), helmet, eye protection, and protective clothing. Riding and alcohol/drugs don't mix. Passengers must be able to place both feet flat on the floor while keeping their back against the back of the seat and able to reach an available hand hold (outboard passenger only). Arctic Cat recommends that all operators take a safety training course. For safety and training information, please see your dealer or visit www.ROHVA.org (Side-by-Sides). Arctic Cat vehicles are for operators age 16 years and older with a valid driver's license. Read the owner's manual before operating. ©2022 Textron Specialized Vehicles Inc. 82615-G8 (Rev. 08/2022)
